Dear Saint Anthony's Family,

Clearance for Fall Sports is underway. Saint Anthony's is no longer using Appryse for medical clearance and athletics pre-participation forms. We are now using Big Teams Student Central.

To be cleared for Fall Sports, all students must have an uploaded physical to their account and complete all forms before the first day of tryouts. The Saint Anthony's School Nurse will **ONLY** approve physicals uploaded to Big Teams Student Central.

Below you will find links to a kickoff letter, detailed instructions on creating your account, a youtube video explaining how to link parent and student accounts, and tryout information. Please direct questions about creating an account to the athletic department.

Please note, Saint Anthony's has already set up the student accounts using the student's school email address. Please click the link below regarding creating student and parent accounts.
